DK SERIES
ROPS

POWER & VERSATILITY.

The DK Series, available in 48 hp and 58 hp versions, is renowned as one of the most valuable compact tractors on the market. Its innovative design, smooth transmission, and enhanced performance make it suitable for a wide range of farming needs and property sizes, offering both power and versatility.

The DK4810 and DK5810 feature an eco-friendly engine that produces low levels of smoke, noise, and vibration, reducing operator fatigue. Additionally, the electronic control system optimizes fuel consumption and lowers running costs, making the DK Series an efficient and economical choice for modern farmers.
