KIOTI

PX9520 SERIES

ROPS

VERSATILE WORKHORSE.

The dynamic and acclaimed PX range with a weight of 4 tonne is designed for serious farming and the ideal tractor for front end loader work. With a generous 120 litre fuel tank and a fuel efficient engine, the PX9520 can keep on working for a long time between fuel breaks. Equipped with hydrostatic power steering, this tractor provides smooth responsive steering that requires minimal operator effort.

Featuring a versatile transmission system that provides smooth operation and precise control, the PX9520 makes it easy to navigate challenging terrains and heavy workloads. Additionally, it is built with durable components and straightforward maintenance points, ensuring longevity and ease of upkeep.

With its combination of power, safety, and user-friendly features, the Kioti PX9520 ROPS tractor is an excellent choice for farmers seeking dependable performance and versatility in their agricultural operations.
