KIOTI

RX6030 SERIES

CAB

GET BEHIND THE WHEEL TO EXPERIENCE THE POWER.

The Kioti RX Series tractors are fitted with a new streamlined hood which improves visibility for the operator. Maintenance is made easy with the hood opening to a 90 degree angle. Other improvements are larger tyres, 50% more lift capacity, higher road speed, increased fuel capacity and better hydraulic flow.

The RX Series is a versatile work-horse that will suit a variety of applications, such as vineyard work and loader work, and is compact enough to do smaller jobs around the farm. Some of the standard features are 24×24 transmission, 4WD power steering, forward reverse shuttle and independent rear PTO.
