BRED WITH POWER AND STRENGTH FOR PURE CUTTING PERFORMANCE

BAD BOY
2 YEAR / UNLIMITED HOUR
WARRANTY

The Bad Boy Rebel Zero-Turn Mower continues to break the rules, especially when it comes to commercial-grade power at a reined in price. Built on the legacy of classic Bad Boy Mower performance and strength, the Rebel carries on the Bad Boy tradition of pure cutting performance.

You'll love the Dual High-Performance Hydro-Gear 4400 Integrated Drive System. Plus, the Rebel mower is loaded with premium standard features, like exclusive Reaper® rear tyres, no-flat front tyres, striping kit, speed tracking and more.

The Rebel Zero-Turn Mower is more comfortable than ever before, thanks to a completely new innovation. Instead of following the crowd, Bad Boy did what we do best. Rebelled. We added front to back seat movement, putting you in total control of your sitting posture. Plus, the steering arms, the steering tension, even the pedals are adjustable as well.

STRENGTH TO MAKE IT LOOK EASY.

Heavy-gauge, all-steel, all-welded and fabricated 38 x 76mm frame rail provides the backbone for years of durable service. Patented Dual Deck Support Isolators, with deck wear pad, helps minimise damage from side impacts.

The sloped 6mm deck with reinforced 9.5mm sides features Deck Idler Arm and Spring with bearings for consistent tension and cutting speed. The PEER maintenance-free, internally lubricated spindles are made from strong ductile iron.

COMFORT TO MAKE IT FEEL EASY.

Adjusts in more ways for complete operator control and comfort. The Adjustable Footrest — a Bad Boy innovation — and with front to back seat movement, adjusts for the perfect seating posture. Even the steering arms are adjustable and tension controllable.

Our unique Deck Lift Pedal can be changed to either side and locked in place with a quick twist of our Deck Lift Dial.
