BAD BOY
2 YEAR / UNLIMITED HOUR
WARRANTY

The Bad Boy Renegade Diesel is our top dog, top-of-the line zero-turn mower.

This beast is powered by a Perkins 1100cc diesel engine that delivers more torque and more horsepower. Its dual 16cc Hydro-Gear Pumps with 18ci Parker Wheel Motors are preferred by professionals. The Renegade Diesel's exclusive automotive-inspired dual pump belt system with tensioner design evenly distributes load from the crankshaft between pump drives and deck belts, improving belt life up to 50% longer.

It's built Bad Boy tough, made to outlast, outperform and out-cut the competition.

THE POWER TO KEEP YOU MOWING ALL DAY LONG

Heavy-gauge, all-steel, all-welded and fabricated 38 x 76mm frame rail provides the backbone for years of durable service. Exclusive automotive inspired dual pump belt system with tensioner design evenly distributes load from the crankshaft between pump drives and deck belts, significantly improving belt life.

Patented Dual Deck Support Isolators, with deck wear pad, helps minimise damage from side impacts. The sloped 6mm deck with reinforced 9.5mm sides features Deck Idler Arm and Spring with bearings for consistent tension and cutting speed. The PEER maintenance-free, internally lubricated spindles are made from strong ductile iron. Features larger sized, no-flat front tyres and our exclusive Reaper® rear tyres for maximum grip and traction.
